## Youth Education Program

*After School and Summer Enrichment*

---

The Youth Education Center is an after-school and summer-enrichment program for the children in our housing programs. Children are provided a warm meal each day and one-on-one tutoring help. You can help these children succeed by providing some of the items they need to further their experience at the Center.

### Personal Care

The following personal care items are for use by the children while at the center or to take home if needed.

- Bar soap
- Shampoo/Conditioner
- Combs/Brushes
- Hair Ties
- Toothbrush and paste
- Body lotion
- Chap stick
- Q-Tips

### Toys & Games

The following items are needed for the children to use during free time.

- Egg timers
- AA Batteries
- GameCube
- Old X-Box controllers (Not 360)
