

*We've been around, we'll be around.*  
**You can count on us.**

Volunteers of America is a national, non-profit, faith-based organization dedicated to helping those in need rebuild their lives and reach their full potential. For more than 118 years, our ministry of service has supported and empowered those who are most vulnerable in our communities. Our work touches the mind, body, heart – and ultimately the spirit – of those we serve. Volunteers of America helps nearly 2 million people across the country – **34,000 in Greater Ohio alone.**
